To the holders of Ordinary Shares

NOTICE OF ANNUAL GENERAL MEETING 2017

Dear Shareholder,

I am pleased to be writing to you with details of our Annual General Meeting ("**AGM**") which we are holding at Village Urban Resort St. David's, St. David's Park, Flintshire CH5 3YB on Thursday 9 November 2017 at 12.00 p.m. The formal notice of AGM is set out in Part II of this document.

If you would like to vote on the resolutions but cannot come to the AGM, please fill in the Form of Proxy sent to you with this notice and return it in accordance with the instructions printed on the form as soon as possible. It must be received by 12.00 p.m. on Tuesday 7 November 2017.

FINAL DIVIDEND

Shareholders are being asked to approve a final dividend of 11p per Ordinary Share for the year ended 30 June 2017. If the recommended final dividend is approved, this will be paid on 14 November 2017 to all Shareholders who were on the register of members on 22 September 2017.

SHARE BUY BACK AND RULE 9 WAIVER APPROVAL

As at last year's annual general meeting, Shareholders are being asked to grant authority for the Company to buy back Ordinary Shares. If Resolution 19 (the "**Buy Back Resolution**") is passed, it will empower the Company to make market purchases of Ordinary Shares on the London Stock Exchange. The Board will exercise this authority only when to do so would be in the best interests of the Company and Shareholders as a whole, and could be expected to result in an increase in the earnings per share of the Company. The exercise of the authority has an additional implication for my Concert Party, due to its substantial shareholding in the Company.

Rule 9 of the City Code on Takeovers and Mergers (the "**Code**") requires that where any person who, together with persons acting in concert with him, is interested in shares which carry in aggregate not less than 30 per cent., but does

not hold shares carrying more than 50 per cent., of the voting rights of a company and any such person, or any persons acting in concert with him, acquires an interest in any other shares in the company which increases the percentage of shares carrying voting rights in which he, together with persons acting in concert with him, is interested, such person would normally have to extend a general offer to all shareholders to acquire their shares.

Under Rule 37 of the Code, any increase in the percentage holding of a person or a group of persons acting in concert which results from a company purchasing its own shares will also be treated as an acquisition for the purposes of Rule 9 (although a shareholder who is neither a director nor acting in concert with a director will not normally incur an obligation to make a Rule 9 offer). However the Panel will normally waive any resulting obligation to make a mandatory offer if there is a vote of independent shareholders approving the waiver.

As the Concert Party holds approximately 32.70 per cent. of the issued share capital of the Company, any share buy back executed by the Company subsequent to the approval of the Buy Back Resolution may result in this percentage shareholding increasing up to a maximum of approximately 36.34 per cent. through no action of the members of the Concert Party.

Therefore, in addition to the Buy Back Resolution, Independent Shareholders are being asked to vote on Resolution 16 (the "**Waiver Resolution**"). The Waiver Resolution is being proposed to approve a waiver by the Panel (granted subject to the passing of the Waiver Resolution) of the obligation which would otherwise arise under Rule 9 of the Code requiring a member of the Concert Party to make an offer for the issued share capital of the Company following market purchases of Ordinary Shares by the Company pursuant to the Buy Back Resolution (the "**Waiver**"). A similar resolution was proposed at last year's annual general meeting.

Passing the Waiver Resolution will give the Company the flexibility to buy back its shares without triggering an obligation for a member of the Concert Party to make a mandatory offer for the Company. Although your Board has no current intention to repurchase shares, it believes that giving the Company authority to do so is in the best interests of the Company and its Shareholders as a whole and the Independent Directors consider that the Waiver is a prudent measure to facilitate this.

An explanation of the business to be considered at this year's AGM and further information on the Waiver and the Waiver Resolution appear in Part III and Part IV, respectively, of this document.

RECOMMENDATION

The Independent Directors, who have been so advised by Barclays and Peel Hunt, believe that obtaining the Waiver is fair and reasonable as far as Independent Shareholders and the Company as a whole are concerned and is in the best interests of Independent Shareholders and the Company as a whole. Accordingly, the Independent Directors will be voting in favour of the Waiver Resolution and the Buy Back Resolution and unanimously recommend that you vote in favour of it. I have not taken part in any decision of the Independent Directors relating to the Waiver, the Waiver Resolution or the Buy Back Resolution and the recommendation in relation to the Waiver Resolution and the Buy Back Resolution.

In addition, the Directors consider that all other resolutions to be put to the meeting are in the best interests of the Company and its Shareholders as a whole. Your Board will be voting in favour of them and unanimously recommends that you vote in favour of them.

Yours sincerely,

STEVE MORGAN
Chairman

PART II

Resolutions 17 to 20 (inclusive) will be proposed as special resolutions. All other resolutions will be proposed as ordinary resolutions.

ORDINARY RESOLUTIONS

1. To receive and adopt the Directors' report and the financial statements for the year ended 30 June 2017, together with the Auditors' report.

5. To re-appoint Barbara Richmond as a Director.
6. To re-appoint Debbie Hewitt as a Director.

13. To approve the Directors' remuneration policy set out on pages 79 to 86 of the Annual Report.
14. That pursuant to article 66.1 of the Company's articles of association, the cap on the level of the ordinary remuneration of the Directors be increased to £500,000 per annum in aggregate.

15. That the Directors, in place of any existing authority conferred upon them for the purpose of Section 551 of the Companies Act 2006, be generally and unconditionally authorised pursuant to and in accordance with Section 551 of the Companies Act 2006 to exercise all powers of the Company to allot and to make offers or agreements to allot shares in the Company or grant rights to subscribe for or convert any security into shares in the Company:

- (i) up to an aggregate nominal amount of £12,326,664.60; and
- (ii) up to a further aggregate nominal amount of £12,326,664.60 in connection with an offer by way of a rights issue,

provided that this authority shall (unless previously revoked or renewed) expire at the conclusion of the next annual general meeting of the Company or at the close of business on 31 December 2018 (whichever may be the earlier) but so that the Company may, before such expiry, make offers and enter into agreements which would or might require shares to be allotted or rights to subscribe for or to convert any security into shares to be granted after such expiry and the Directors may allot shares or grant rights to subscribe for or convert any security into shares in pursuance of any such offer or agreement as if the authority had not expired.

For the purposes of this Resolution, "rights issue" means an offer to:

- (a) holders of Ordinary Shares in proportion (as nearly as may be practicable) to their existing holdings; and
- (b) people who are holders of other equity securities if this is required by the rights of those securities or, if the Directors consider it necessary, as permitted by the rights of those securities,

to subscribe for further securities by means of the issue of a renounceable letter (or other negotiable document) which may be traded for a period before payment for the securities is due, but subject in both cases to such exclusions or other arrangements as the Directors may deem necessary or expedient in relation to treasury shares, fractional entitlements, record dates or legal, regulatory or practical problems in, or under the laws of, any territory.

16. That the waiver granted by the Panel of any obligation which may otherwise arise for the Concert Party to make a general offer for all the issued share capital of the Company pursuant to Rule 9 of the Code, following any increase in their combined shareholding from approximately 32.70 per cent. of the issued share capital of the Company to a maximum of approximately 36.34 per cent of the issued share capital of the Company as a result of market purchases of Ordinary Shares by the Company pursuant to the authority granted under Resolution 19 below be and is hereby approved.

SPECIAL RESOLUTIONS

17. That, subject to the passing of Resolution 15, the Directors be authorised to make allotments of equity securities (as defined in Section 560(1) of the Companies Act 2006) wholly for cash:

- (i) pursuant to the authority given by paragraph (i) of Resolution 15 and to sell shares which are held in treasury pursuant to Section 560(3) of the Companies Act 2006, in each case:
 - (a) in connection with a pre-emptive offer; and
 - (b) otherwise than in connection with a pre-emptive offer, up to an aggregate nominal amount of £1,848,999.60; and
- (ii) pursuant to the authority given by paragraph (ii) of Resolution 15 in connection with a rights issue,

as if Section 561(1) of the Companies Act 2006 did not apply to any such allotment, and such authority shall (unless previously revoked or renewed) expire at the earlier of the conclusion of the next annual general meeting of the Company and the close of business on 31 December 2018 save that the said authority shall permit the Company to make offers and enter into agreements before the expiry of such authority which would or might require equity securities to be allotted and treasury shares to be sold after such expiry and the Directors may allot equity securities and sell treasury shares in pursuance of any such offer or agreement as if such authority had not expired. For the purposes of this Resolution, the nominal amount of any securities shall be taken to be, in the case of rights to subscribe for or convert any security into shares of the Company, the nominal amount of such shares which may be allotted pursuant to such rights.

For the purposes of this Resolution:

"pre-emptive offer" means an offer of equity securities open for acceptance for a period fixed by the Directors to (a) holders (other than the Company) on the register on a record date fixed by the Directors of Ordinary Shares in proportion to their respective holdings and (b) other persons so entitled by virtue of the rights attaching to any other equity securities held by them, but subject in both cases to such exclusions or other arrangements as the Directors may deem necessary or expedient in relation to treasury shares, fractional entitlements, record dates or legal, regulatory or practical problems in, or under the laws of, any territory; and

"rights issue" has the meaning given to such term in Resolution 15.

18. That, subject to the passing of Resolution 15 and in addition to any authority granted under Resolution 17, the Directors be authorised to make allotments of equity securities (as defined in Section 560(1) of the Companies Act 2006) wholly for cash pursuant to the authority given by Resolution 15 and to sell shares which are held in treasury pursuant to Section 560(3) of the Companies Act 2006, in each case as if Section 561(1) of the Companies Act 2006 did not apply to any such allotment, such authority to be:

- (i) limited to the allotment of equity securities or sale of treasury shares up to an aggregate nominal amount of £1,848,999.60; and
- (ii) used only for the purposes of financing (or refinancing, if the authority is to be used within six months after the original transaction) a transaction which the Board of the Company determines to be an acquisition or other capital investment of a kind contemplated by the Statement of Principles on Disapplying Pre-Emption Rights most recently published by the Pre-Emption Group prior to the date of this notice,

such authority shall (unless previously revoked or renewed) expire at the earlier of the conclusion of the next annual general meeting of the Company and the close of business on 31 December 2018, save that the said authority shall permit the Company to make offers and enter into agreements before the expiry of such authority which would or might require equity securities to be allotted and treasury shares to be sold after such expiry and the Directors may allot equity securities and sell treasury shares in pursuance of any such offer or agreement as if such authority had not expired.

PART II**Notice of Annual General Meeting continued**

19. That the Company be and is hereby unconditionally and generally authorised for the purpose of section 701 of the Companies Act 2006 to make market purchases (within the meaning of section 693 of the Companies Act 2006) of Ordinary Shares provided that:

- (i) the maximum number of Ordinary Shares which may be purchased is 36,979,993;
- (ii) the minimum price which may be paid for an Ordinary Share is 10p (being the nominal value of an ordinary share);
- (iii) the maximum price which may be paid for an Ordinary Share is an amount equal to the higher of (a) 105 per cent. of the average of the middle market quotations of the Ordinary Shares as derived from the London Stock Exchange Daily Official List for the five business days immediately preceding the day on which such share is contracted to be purchased and (b) the higher of the price of the last independent trade and the highest current bid as stipulated by Commission-adopted Regulatory Technical Standards pursuant to article 5(6) of the EU Market Abuse Regulation 596/2014; and
- (iv) this authority shall expire at the conclusion of the next annual general meeting of the Company or 31 December 2018 (whichever may be the earlier) except that the Company may before such expiry enter into a contract to purchase its own shares which will or may be completed or executed wholly or partly after such expiry.

20. That a general meeting other than an annual general meeting may be called on not less than 14 clear days' notice.

Nominated persons may have a right under an agreement with the Shareholder who holds the shares on their behalf to be appointed (or to have someone else appointed) as a proxy. Alternatively, if nominated persons do not have such a right, or do not wish to exercise it, they may have a right under such an agreement to give instructions to the person holding the shares as to the exercise of voting rights.
5. Any corporation which is a Shareholder can appoint one or more corporate representatives who may exercise on its behalf all of its powers as a Shareholder provided that they do not do so in relation to the same shares.

The Company may not require the Shareholders requesting any such website publication to pay its expenses in complying with Sections 527 or 528 (requirements as to website availability) of the Companies Act 2006. Where the Company is required to place a statement on a website under Section 527 of the Companies Act 2006, it must forward the statement to the Company's Auditors not later than the time when it makes the statement available on the website. The business which may be dealt with at the Annual General Meeting for the relevant financial year includes any statement that the Company has been required under Section 527 of the Companies Act 2006 to publish on a website.

10. Any Shareholder attending the meeting has the right to ask questions. The Company must cause to be answered any such question relating to the business being dealt with at the meeting but no such answer need be given if: (a) to do so would interfere unduly with the preparation for the meeting or involve the disclosure of confidential information; (b) the answer has already been given on a website in the form of an answer to a question; or (c) it is undesirable in the interests of the Company or the good order of the meeting that the question be answered.

If you have sold or otherwise transferred all of your Ordinary Shares, please forward this document, together with the accompanying Form of Proxy, as soon as possible to the purchaser or transferee or to the stockbroker, bank manager or other agent through whom the sale or transfer was effected for onward transmission to the purchaser or transferee.

PART II**Notice of Annual General Meeting continued****Notes continued**

14. Under Section 338 and Section 338A of the Companies Act 2006, Shareholders meeting the threshold requirements in those sections have the right to require the Company: (i) to give, to Shareholders of the Company entitled to receive notice of the meeting, notice of a resolution which may properly be moved and is intended to be moved at the meeting; and/or (ii) to include in the business to be dealt with at the meeting any matter (other than a proposed resolution) which may be properly included in the business. A resolution may properly be moved or a matter may properly be included in the business unless: (a) (in the case of a resolution only) it would, if passed, be ineffective (whether by reason of inconsistency with any enactment or the Company's constitution or otherwise); (b) it is defamatory of any person; or (c) it is frivolous or vexatious. Such a request may be in hard copy form or in electronic form, must identify the resolution of which notice is to be given or the matter to be included in the business, must be authorised by the person or persons making it, must be received by the Company not later than 28 September 2017, being the date six clear weeks before the meeting, and (in the case of a matter to be included in the business only) must be accompanied by a statement setting out the grounds for the request.
15. The following documents will be available for inspection at the place of the meeting from 11.45a.m. on 9 November 2017 until the conclusion of the meeting:
- a copy of the annual report and accounts of the Company for each of the years ended 30 June 2016 and 30 June 2017;
 - the Articles of Association and Memorandum of the Company;
 - the letters of appointment and service contracts of the Executive Directors and the Non-Executive Directors;
 - the letters of consent from Barclays and Peel Hunt to the Company referred to in paragraph 9.1 of Part V of this document; and
 - this document.
16. CREST Shareholders who wish to appoint a proxy or proxies through the CREST electronic proxy appointment service may do so for the meeting (and any adjournment of the meeting) by following the procedures described in the CREST Manual. CREST Personal Shareholders or other CREST-sponsored Shareholders (and those CREST Shareholders who have appointed a voting service provider) should refer to their CREST sponsor or voting service provider, who will be able to take the appropriate action on their behalf.
17. In order for a proxy appointment or instruction made by means of CREST to be valid, the appropriate CREST message (a "CREST Proxy Instruction") must be properly authenticated in accordance with Euroclear's specifications and must contain the information required for such instructions, as described in the CREST Manual (available via www.euroclear.com/CREST). The message (regardless of whether it constitutes the appointment of a proxy or an amendment to the instruction given to a previously appointed proxy) must, in order to be valid, be transmitted so as to be received by the issuer's agent (ID 3RA50) by the latest time(s) for receipt of proxy appointments specified in note 2 above. For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp applied to the message by the CREST Applications Host) from which the issuer's agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time any change of instructions to a proxy appointed through CREST should be communicated to him by other means.
18. CREST Shareholders (and, where applicable, their CREST sponsors or voting service providers) should note that Euroclear does not make available special procedures in CREST for any particular messages. Normal system timings and limitations will therefore apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST Shareholder concerned to take (or, if the CREST Shareholder is a CREST personal Shareholder or sponsored Shareholder or has appointed a voting service provider, to procure that his CREST sponsor or voting service provider takes) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST Shareholders (and, where applicable, their CREST sponsors or voting service providers) are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings.
19. The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001.
20. If you have any questions about the meeting or need any special assistance at the meeting, please contact the Company Secretary at the registered office or telephone 01244 520044 during normal business hours.

PART III**Explanatory Notes to the Resolutions**

The following pages give an explanation of the proposed resolutions.

Resolutions 1 to 16 are proposed as ordinary resolutions. This means that for each of those resolutions to be passed, more than half of the votes cast must be in favour of the resolution subject to the below.

Resolutions 17 to 20 are proposed as special resolutions. This means that for each of those resolutions to be passed, at least three-quarters of the votes cast must be in favour of the resolution.

RESOLUTION 2 – DIVIDEND

Subject to approval at the meeting, the dividend will be paid on 14 November 2017 to Shareholders on the register at the close of business on 22 September 2017.

RESOLUTIONS 3–9 – RE-APPOINTMENT OF DIRECTORS

In accordance with the provisions of the UK Corporate Governance Code, all Directors retire and offer themselves for re-election.

Under the Listing Rules, Steve Morgan is classed as a "controlling shareholder" of the Company (since he and his Concert Party exercises and controls 30 per cent. or more of the voting rights in the Company). Therefore, Resolutions 6, 7, 8 and 9 (appointment and re-appointment of the Company's Non-Executive Directors) must be approved both by a simple majority of all Shareholders, and by a simple majority of Independent Shareholders. For full biographies of all Directors and further details in relation to their re-election, please see page 62 and page 63 of the Annual Report.

None of the independent Non-Executive Directors seeking either election or re-election at the meeting has any existing or previous relationship with the Company, nor with any controlling shareholder of the Company or any associate of a controlling shareholder of the Company within the meaning of LR 13.8.17 R(1).

The Company's Nominations Committee considers the appointment and replacement of Directors subject to the rules set out in the Company's Articles of Association and in accordance with the Nominations Committee's Terms of Reference. When an appointment is considered appropriate, the Nominations Committee will evaluate the balance of skills, knowledge and experience of the Board and, in light of this evaluation, prepare a description of the role and capabilities required for a particular appointment.

In considering the independence of each Non-Executive Director, the Board has taken into consideration the guidance provided by the UK Corporate Governance Code. The Board considers Debbie Hewitt, Nick Hewson, Sir Michael Lyons and Vanda Murray to be independent in accordance with Provision B.1.1 of the UK Corporate Governance Code.

The Board confirms that Steve Morgan, John Tutte and Barbara Richmond, who stand for re-appointment as Executive

Directors, Debbie Hewitt, Nick Hewson and Sir Michael Lyons who stand for re-appointment as Non-Executive Directors, and Vanda Murray who stands for appointment as Non-Executive Director, continue to be effective and demonstrate the appropriate commitment to their roles.

RESOLUTIONS 10 AND 11 – RE-APPOINTMENT OF AUDITORS AND AUDITORS' REMUNERATION

The Company is required to appoint Auditors at every general meeting at which the accounts are presented to Shareholders. Resolution 10, which is recommended by the Audit Committee, proposes the re-appointment of PricewaterhouseCoopers LLP who are willing to seek re-appointment this year. Resolution 11 authorises the Company's Directors to determine the Auditors' fees. If this resolution is passed, the Audit Committee will approve the fees for recommendation to the Board.

RESOLUTIONS 12–14 – DIRECTORS' REMUNERATION

These resolutions deal with the remuneration of the Directors and seek approval of, the remuneration paid to the Directors during the year under review, the Directors' remuneration policy, and increasing the cap on the ordinary remuneration of the Directors respectively.

The Company is required to ask Shareholders to approve the Directors' remuneration report (other than the remuneration policy). This is set out on pages 76 to 97 of the Annual Report. Resolution 12 is an advisory vote.

Changes to the Companies Act 2006, which took effect in October 2013, require the Company to ask Shareholders to approve the remuneration policy section of the Directors' remuneration report. This is set out on pages 79 to 86 of the Annual Report. Resolution 13 is a binding vote. If approved by Shareholders, the Directors' remuneration policy will take effect immediately after the end of the Annual General Meeting and will apply until replaced by a new or amended policy.

Article 66.1 of the Company's Articles of Association currently specifies a cap on the ordinary remuneration of the Directors at £250,000 per annum in aggregate. The purpose of Resolution 14 is to increase the level of this cap to £500,000 per annum in aggregate. The current cap has been in place for a number of years and could potentially restrict the Board's ability to appoint the best board members available. The proposed cap of £500,000 is in line with other FTSE 250 companies and will provide flexibility to respond to competitive and market conditions and in structuring the fees of individual Directors. The current cap may also restrict the ability to appoint additional directors and, therefore, increasing the cap should provide the Board with additional flexibility and facilitate the effective review and management of the composition of the Board.

The cap does not apply to the remuneration of the Executive Directors, the Chairman (and any Deputy Chairman that may be appointed from time to time), or to any additional fees paid to any other Directors in respect of services that are outside the scope of the ordinary duties of a Director. The fees of the Non-Executive Directors from 1 July 2017 will be as set out in the remuneration report.

PART III**Explanatory Notes to the Resolutions continued****RESOLUTION 15 – AUTHORITY TO ALLOT SHARES**

Shareholders are being invited to renew the authority given to Directors in previous years to allot new shares.

If passed, the authority in paragraph (i) of Resolution 15 would renew this authority by authorising the Directors to allot shares and grant rights to subscribe for or convert other securities into shares up to an aggregate nominal amount of £12,326,664.60 (which is equivalent to approximately 33 per cent. of the issued share capital of the Company as at the Latest Practicable Date).

The authority in paragraph (ii) of Resolution 15 will allow the Directors to allot shares and grant rights to subscribe for or convert other securities into shares up to a further nominal amount of £12,326,664.60 only in connection with a rights issue (which is equivalent to approximately 33 per cent. of the issued share capital of the Company as at the Latest Practicable Date). This is in line with corporate governance guidelines.

The Company does not, as of the Latest Practicable Date, hold any shares in treasury.

The authority will expire at the conclusion of the next annual general meeting of the Company or, if earlier, at the close of business on 31 December 2018.

The Directors will exercise the authority to allot new shares or undertake a rights issue only when satisfied that it is in the best interests of the Company to do so. There are no present plans to undertake a rights issue or to allot new shares. The Directors consider it desirable to have the maximum flexibility permitted by corporate governance guidelines to respond to market developments and to enable allotments to take place to finance business opportunities as they arise.

RESOLUTION 16 – APPROVAL OF RULE 9 WAIVER

Pursuant to Rule 9 of the Code and the Waiver granted by the Panel, which is conditional upon Independent Shareholder approval, Independent Shareholders are being asked to approve the terms of the Waiver by way of a poll for the reasons set out on Part IV of this document.

RESOLUTIONS 17 AND 18 – GENERAL AND ADDITIONAL AUTHORITY TO DISAPPLY PRE-EMPTION RIGHTS

The Directors may only allot shares and other equity securities, or sell treasury shares, for cash (other than in connection with an employee share scheme) to persons who are not already Shareholders in the Company if authorised to do so by the Shareholders in a general meeting.

The purpose of paragraphs (i)(a) and (ii) of Resolution 17 is to authorise the Directors to allot new shares and other equity securities, or sell treasury shares, for cash on a pre-emptive basis. The resolution also enables the Directors to modify the strict requirements for a pre-emptive offer or pre-emptive rights issue in circumstances where they consider it necessary or expedient.

In addition, there may be circumstances when the Directors consider it in the best interests of the Company to allot a limited number of Ordinary Shares or other equity securities, or sell treasury shares, for cash on a non-pre-emptive basis. The Pre-Emption Group's Statement of Principles, as updated in March 2015, supports the annual disapplication of pre-emption rights in respect of allotments of shares and other equity securities and sales of treasury shares for cash representing no more than 5 per cent. of the issued share capital of the Company (exclusive of treasury shares), without restriction as to the use of proceeds of those allotments.

Accordingly, the purpose of paragraph (i)(b) of Resolution 17 is to authorise the Directors to allot new shares and other equity securities pursuant to the authority given in Resolution 15, or sell treasury shares, for cash up to an aggregate nominal amount of £1,848,999.60, equivalent to approximately 5 per cent. of the issued share capital of the Company as at the Latest Practicable Date, without the shares first being offered to existing Shareholders in proportion to their existing holdings. The Company does not, as of the Latest Practicable Date, hold any shares in treasury.

The Pre-Emption Group's Statement of Principles also supports the annual disapplication of pre-emption rights in respect of allotments of shares and other equity securities and sales of treasury shares for cash representing no more than an additional 5 per cent. of the issued share capital of the Company (exclusive of treasury shares), to be used only in connection with an acquisition or specified capital investment. The Pre-Emption Group's Statement of Principles defines "specified capital investment" as meaning one or more specific capital investment related uses for the proceeds of an issue of equity securities, in respect of which sufficient information regarding the effect of the transaction on the Company, the assets the subject of the transaction and (where appropriate) the profits attributable to them is made available to Shareholders to enable them to reach an assessment of the potential return.

Accordingly, and in line with the template resolutions published by the Pre-Emption Group in May 2016, the purpose of Resolution 18 is to authorise the Directors to allot new shares and other equity securities pursuant to the authority given in Resolution 15, or sell treasury shares, for cash up to a further aggregate nominal amount of £1,848,999.60, equivalent to approximately 5 per cent. of the issued share capital of the Company as at the Latest Practicable Date, only in connection with an acquisition or specified capital investment which is announced contemporaneously with the allotment, or which has taken place in the preceding six-month period and is disclosed in the announcement of the issue. If the authority given in Resolution 18 is used, the Company will publish details of the placing in its next annual report.

The Board intends to adhere to the provisions in the Pre-emption Group's Statement of Principles and not to allot shares or other equity securities or sell treasury shares for cash on a non-pre-emptive basis pursuant to the authority in Resolution 17 in excess of an amount equal to 7.5 per cent. of the issued share capital of the Company, excluding treasury shares, within a rolling three-year period, other than:

- (i) with prior consultation with Shareholders; or
- (ii) in connection with an acquisition or specified capital investment which is announced contemporaneously with the allotment or which has taken place in the preceding six-month period and is disclosed in the announcement of the allotment.

The Board has no current intention of exercising the authorities in Resolutions 17 and 18 but considers such authorities to be appropriate in order to allow the Company flexibility to finance business opportunities or to conduct a pre-emptive offer or rights issue without the need to comply with the strict requirements of the statutory pre-emption provisions.

The authority will expire on whichever is the earlier of the conclusion of the next annual general meeting or at the close of business on 31 December 2018.

RESOLUTION 19 – AUTHORITY TO PURCHASE OWN SHARES

The Directors are seeking authority to make market purchases of Ordinary Shares. The proposed authority would be limited by the terms of Resolution 19 to the purchases of 36,979,993 Ordinary Shares with an aggregate nominal value of £3,697,999.30, which is equivalent to approximately 10 per cent. of the issued share capital of the Company at the Latest Practicable Date.

The Directors would exercise this authority only if they felt it would be in the best economic interests of the Company to do so. Other investment opportunities, appropriate gearing levels and the overall financial position of the Company will be taken into account before deciding upon the course of action.

Details of any Ordinary Shares purchased pursuant to the proposed authority set out in Resolution 19 would be notified to the London Stock Exchange by 7.30 a.m. on the business day following the purchase and to the Registrar of Companies within 28 days. Details would also be included in the Company's Annual Report and Accounts in respect of the financial period in which any such purchases take place. The authority set out in Resolution 19 will expire on the earlier of the end of the next annual general meeting or 31 December 2018, and Resolution 19 specifies the maximum and minimum prices at which the Ordinary Shares may be bought.

The Company's current intention is to cancel any repurchased shares but retains the flexibility to hold any repurchased shares as treasury shares if it considers this to be in the best interests of the Company.

At the Latest Practicable Date, there were options outstanding over 5,744,696 Ordinary Shares, representing 1.55 per cent of the issued share capital of the Company (excluding shares held in treasury). If the authority given by Resolution 19 were to be fully used, these options would represent 1.73 per cent of the issued share capital of the Company (excluding shares held in treasury). There are no warrants outstanding.

In addition, if Resolution 16 is approved and the authority granted by Resolution 19 were to be fully used, the Concert Party's maximum potential shareholding would increase from approximately 32.70 per cent. to approximately 36.34 per cent of the issued share capital of the Company (assuming no participation or other sales of interests in Ordinary Shares by the Concert Party in connection with any share repurchases or otherwise and no other person exercising any options or any other rights to subscribe for Ordinary Shares).

RESOLUTION 20 – CALLING OF A GENERAL MEETING OTHER THAN AN ANNUAL GENERAL MEETING

Under the Companies Act 2006 the notice period required for general meetings of the Company is 21 days unless Shareholders approve a shorter notice period, which cannot, however, be less than 14 clear days. Annual general meetings of the Company will continue to be held on at least 21 clear days' notice.

Resolution 20 seeks such approval. The approval will be effective until the Company's next annual general meeting, when it is intended that a similar resolution will be proposed.

PART IV**Approval of Waiver of Obligations Under Rule 9 of the City Code on Takeovers and Mergers****1 BACKGROUND**

1.1 Steve Morgan is the Chairman of the Company. Bridgemere Securities Limited and the Steve Morgan Foundation have the largest interests in the Company's Ordinary Shares and are connected to Mr Morgan, although he has no direct shareholding in the Company through either Bridgemere Securities Limited or the Steve Morgan Foundation. As at the close of business on the Latest Practicable Date, Bridgemere Securities Limited and the Steve Morgan Foundation together held 120,386,045 Ordinary Shares representing approximately 32.55 per cent. of the issued share capital of the Company.

1.2 The Takeover Panel has ruled that Mr Morgan and a number of persons are acting in concert for the purposes of the Code. As at the close of business on the Latest Practicable Date, the Concert Party held 120,942,378 Ordinary Shares representing approximately 32.70 per cent. of the issued share capital of the Company. The membership of the Concert Party and its members' shareholdings are set out in paragraph 4.5 of Part V.

1.3 If the authority to repurchase Ordinary Shares proposed by the Buy Back Resolution is approved and repurchases are made by the Company, the Concert Party would be in a position where, were it not to participate in any further repurchase by the Company of Ordinary Shares, its percentage interest in the Ordinary Shares would increase beyond its current level, thereby triggering a mandatory offer for the remainder of the share capital of the Company under Rule 9 of the Code.

2 RELATIONSHIP TO BUYBACK AUTHORITY PROPOSED BY THE BUY BACK RESOLUTION

2.1 The authority to repurchase shares proposed by the Buy Back Resolution at the AGM provides the Company with the flexibility to manage its capital base in line with other listed companies that seek this standard authority on an annual basis. However, if the Company undertakes a share repurchase in accordance with the authority granted by the Buy Back Resolution at the AGM, the Concert Party's interest in Ordinary Shares could increase beyond its current level such that it holds more than 30 per cent. but not more than 50 per cent. of the issued share capital of the Company, in which case a member of the Concert Party could be required under Rule 9 of the Code to make a mandatory offer for the remainder of the share capital of the Company. The maximum interest in Ordinary Shares which the Concert Party could hold as a result of a share repurchase in accordance with the Buy Back Resolution is approximately 36.34 per cent.

2.2 Independent Shareholders are therefore being asked to approve the terms of a waiver of this requirement granted by the Panel to the Concert Party (subject to such approval), by means of the Waiver Resolution. An explanation of the reasons for this request, and the background to the obligation arising from Rule 9 of the Code, are in section 3 below.

2.3 In any event, and as stated in Part III of this document, the Directors would exercise the authority to buy back Ordinary Shares under the Buy Back Resolution only if it would be in the best economic interests of the Company to do so. The final decision relating to any repurchase of Ordinary Shares would be taken by the Independent Directors and would be conducted within the pricing and size parameters agreed by the Independent Directors but in compliance with the limits set out in the Buy Back Resolution.

2.4 The Waiver, if granted, would apply only for as long as the Buy Back Resolution remains in force. Accordingly, whether or not the authority given under the Buy Back Resolution is used in the coming year, the Independent Directors will consider whether to seek a renewal of the Waiver by the Panel at the time of the 2018 annual general meeting. Any such renewal of the Waiver would again be subject to Independent Shareholder approval at next year's annual general meeting.

3 REASONS FOR THE WAIVER

3.1 Under Rule 9 of the Code, any person who acquires an interest in shares (as defined in the Code) which, taken together with any interest in shares already held by that person or any interest in shares held or acquired by persons acting in concert with them, carry 30 per cent. or more of the voting rights of a company which is subject to the Code, is normally required to make a general offer to all the remaining Shareholders to acquire their shares in the company. Similarly, when any person, together with persons acting in concert with them, is interested in shares which in the aggregate carry not less than 30 per cent. of the voting rights of such a company but does not hold shares carrying more than 50 per cent. of such voting rights, a general offer will normally be required if any further interests in shares are acquired by any such person. Such an offer would have to be made in cash and at the highest price paid for any interest in shares by that person or by any person acting in concert with them within the 12 months prior to the announcement of the offer.

3.2 Under Rule 37.1 of the Code, when a company redeems or purchases its own voting shares, any resulting increase in the percentage of shares carrying voting rights in which a Shareholder and any persons acting in concert with them are interested will normally be treated as an acquisition for the purpose of Rule 9 of the Code.

3.3 As noted above, the Concert Party currently holds approximately 32.70 per cent. of the issued share capital of the Company. If the authority to purchase own shares granted by the Buy Back Resolution were approved and to be fully used and if the Concert Party does not participate in future repurchases by the Company of its own shares, the Concert Party's shareholding would increase to approximately 36.34 per cent. of the issued share capital of the Company.

3.4 The Panel has agreed to waive the obligation to make a general offer that would otherwise arise as a result of increases in the shareholding of the Concert Party following the market purchases of Ordinary Shares by the Company, pursuant to the authority to be granted under the Buy Back Resolution, subject to the approval of the Independent Shareholders. Accordingly, the Waiver Resolution is being proposed at the AGM and the vote in respect of the Waiver Resolution will be held by means of a poll vote. Representatives of Concert Party members may attend the AGM but no member of the Concert Party (and no nominee or representatives of them) shall be entitled to vote on the Waiver Resolution at the AGM.

3.5 No Concert Party member will be restricted from making an offer for the Company following the approval of the Waiver Resolution by the Independent Shareholders at the AGM.

4 INDEPENDENT ADVICE

4.1 Barclays and Peel Hunt have provided advice to the Independent Directors, in accordance with the requirements of paragraph 4(a) of Appendix 1 to the Code, in relation to the granting of the Waiver.

4.2 This advice was provided by Barclays and Peel Hunt to the Independent Directors of the Company only and in providing

such advice Barclays and Peel Hunt have taken into account the Independent Directors' commercial assessments.

5 RECOMMENDATION

5.1 The Independent Directors, who have been so advised by Barclays and Peel Hunt, believe that obtaining the Waiver is fair and reasonable as far as Independent Shareholders and the Company as a whole are concerned and is in the best interests of Independent Shareholders and the Company as a whole.

5.2 Accordingly, the Independent Directors unanimously recommend that Independent Shareholders vote in favour of the Waiver Resolution and the Buy Back Resolution, as the Independent Directors intend to do in respect of their own shareholdings of 1,256,587 Ordinary Shares, representing approximately 0.34 per cent. of the issued share capital of the Company.

5.3 Mr Morgan has not taken part in any decision of the Independent Directors relating to the Waiver, the Waiver Resolution or the Buy Back Resolution, since his interest in Ordinary Shares are the subject of the Waiver. These matters have been dealt with by the Independent Directors. Furthermore, Mr Morgan will not be entitled to vote on the Waiver Resolution at the AGM.

6 MAXIMUM POTENTIAL HOLDING

6.1 Pursuant to the Code, it is necessary to provide an illustration of the Concert Party's maximum potential interest in Ordinary Shares based on certain assumptions.

6.2 Assuming: (i) full exercise by the Company of the authority granted under the Buy Back Resolution; (ii) no participation or other sales of interests in Ordinary Shares by the Concert Party in connection with any share repurchases or otherwise; and (iii) no further shares are issued by the Company in respect of the exercise of subscription rights or otherwise, the Concert Party's maximum potential interest in the Ordinary Shares if the Waiver is approved would be as set out in the following table:

Name	Number of Ordinary Shares held	Percentage of Ordinary Shares at the Latest Practicable Date	Maximum potential interest in Ordinary Shares
Steve Morgan	120,386,045	32.5544	36.1715
Bryan Dix	230,000	0.0622	0.0691
Ashley Lewis	12,420	0.0034	0.0037
Vincent Fairclough	55,611	0.0150	0.0167
Victoria Fairclough	802	0.0002	0.0002
The Housing Deposit Trust	257,500	0.0696	0.0774
Total Concert Party	120,942,378	32.70	36.34

Note:

(1) Steve Morgan's interest includes 94,436,045 Ordinary Shares held by Steve Morgan indirectly through Bridgemere Securities Limited. In addition, this figure includes 25,950,000 Ordinary Shares held by the Steve Morgan Foundation, of which Steve Morgan is a trustee, for the beneficiaries of the foundation. Steve Morgan has no direct holding in the Company.

(2) Figures for individual Concert Party members' interests are given to four decimal places. Figures for the Concert Party's aggregate interests are given to two decimal places

PART IV

Approval of Waiver of Obligations Under Rule 9 of the City Code on Takeovers and Mergers *continued*

7 FURTHER EXPLANATION OF THE WAIVER AND THE WAIVER RESOLUTION

7.1 The Waiver will apply, provided the Waiver Resolution is approved by the Independent Shareholders, only in respect of increases in the Concert Party's percentage interest in Ordinary Shares resulting from repurchases of Ordinary Shares under the Buy Back Resolution. It will not apply in respect of other increases in the Concert Party's percentage interest in Ordinary Shares (arising, for example, from market purchases of Ordinary Shares by or on behalf of the Concert Party or from other repurchases of Ordinary Shares by the Company that are not pursuant to the authority granted by the Buy Back Resolution) which will be subject to the provisions of Rule 9 of the Code.

7.2 The Directors envisage that Shareholder approval for a further buyback authority may be sought at the 2018 annual general meeting of the Company. At that time, the Independent Directors will consider whether to seek a further waiver by the Panel of any obligation of the Concert Party under Rule 9 of the Code to make a general offer to the Shareholders of the Company to purchase their shares as a result of an increase in its percentage interest in Ordinary Shares arising from the purchase by the Company of its own shares pursuant to such further authority. Any further waiver granted by the Panel would again be conditional upon Independent Shareholder approval at that time.

7.3 If the Independent Shareholders do not approve the Waiver Resolution but the Buy Back Resolution is passed, the Board will not make use of the authority granted under the Buy Back Resolution unless arrangements can be put in place to ensure that the Concert Party's percentage interest in the Ordinary Shares will not increase as a result of any future purchases by the Company of its own shares or a further waiver is sought from the Panel in respect of such increases (and Independent Shareholder approval is granted), since, based on the issued share capital of the Company and the Concert Party's percentage interest in the Ordinary Shares as at the Latest Practicable Date, any purchases by the Company of its own shares from Independent Shareholders could result in the Concert Party having to make a mandatory offer to all Shareholders under Rule 9 of the Code.

7.4 As required by the Code, voting on the Waiver Resolution at the AGM will be by means of a poll of Independent Shareholders.

8 MANAGEMENT, EMPLOYEES AND CONTINUATION OF THE BUSINESS OF THE COMPANY

8.1 The Concert Party has no intention, as a result of any increase in the Concert Party's shareholding following any repurchases by the Company of its own shares, to seek any change in the membership of the Board or management or to the general nature of any other aspect of the Company's business, nor does it intend to redeploy any fixed assets or change the existing trading facilities for the Ordinary Shares.

8.2 The strategic plans for the Company are not expected to be altered by the Waiver Resolution and so there should be no repercussions on employment, pension scheme arrangements or the location of the Company's place of business.

The Company also made a donation to The Steve Morgan Foundation of £716k in respect of 2017 (2016: £698k). The notional cash bonus represents half of the total bonus for 2017, calculated using the notional salary of £487k and a bonus percentage of 100% of maximum, equivalent to that earned by John Tutte and Barbara Richmond.

The remaining half of Steve Morgan's 2017 bonus amount (£244k) is deferred into cash awards over notional Redrow shares and will become exercisable as described in footnote (iv) below. Steve Morgan currently intends to waive his entitlement to these awards at a future point (at any time during the relevant exercise period). A donation to The Steve Morgan Foundation may be made by the Company of an amount equivalent to the cash value of the awards over notional Redrow shares at that time. Any such donation will be disclosed in the relevant remuneration report.

Further details on the donation to The Steve Morgan Foundation are given in the Directors' Report on page 101 and in note 22 to the financial statements.
